Individual Financial Advisers/Intermediaries

If your company is already registered with British Friendly, we’ll aim to get your login details emailed over to you **within two working days**.

Firms Who Are Appointed Representatives

If your company is not yet registered with British Friendly we will need to conduct due diligence checks. Once we’ve successfully completed these checks we’ll email your login details. We aim to do this **within 5 working days**.

Firms Who Are Directly Authorised

We will need you to return all of the following:

1. A completed terms of business application form.
2. A photocopy of a company directors drivers license and company bank statement

Please note - if a directors drivers license is not available, please attach a copy of the directors passport and personal utility bill along with the company bank statement

Once we receive all of this we can complete our due diligence checks. If successful, we’ll email your login details to you. We aim to do this **within 7 working days**.

Next Steps

Once we’ve received these details you’ll soon be able to offer our award-winning Income Protection cover to your clients.
